Verifone®

K450

Versatile experiences that enhance the customer journey.

Disrupt traditional traffic patterns to attract immersive use, without taking up valued floor space. The K450 is an ultra slim kiosk solution with larger screen size and purpose-built durability. And with multiple configurations to choose from, your next customer journey has just begun.

- Vibrant display screen with PCAP touch technology

- Pairs with multiple computer manufacturer models for customizing to your business needs

- Easily integrate Verifone payment devices to accept secure payments at the point of selection

- Complies with ADA guidelines

- Wall mount, single-sided, & double-sided pole mount versions available for optimal utilization of space

- Connect power and data from pedestal base or from ceiling using optional top pole
